***MISSION STATEMENT:*** *New Life Boxer Rescue is dedicated to the preservation and enhancement of the lives of boxers who are at risk of being neglected, abused, or forced to find new homes for reasons not in their control. As part of our goal of preventing cruelty to animals, the mission of New Life Boxer Rescue is to provide a safe and loving environment in foster care while we seek a new and permanent home for these boxers. We provide medical care including, but not limited to, spaying and neutering of all boxers who come into our rescue.*
